

U8 and Interleague Procedures (U8 - U12) - updated 9/21/26

Weekly Game Preparation

- **Monday through Wednesday** - reach out to the opposing coach to confirm the game location and uniform colors.
- **Friday** - send a reminder to your team of game time, uniform color to wear, location, etc.
- **Game Day with Inclement Weather:**
 - Note: Home games could be cancelled but Away games could still be played so make sure you are staying in contact with opposing clubs!
 - Home Games - you will be notified at least 2 hours before your game start time if the field is not playable due to inclement weather. If the game is cancelled please reach out to the opposing coach!
 - Away Games - if you don't hear by 2 hours before for an away game please reach out to the opposing coach. They will know the status of their fields.
- **Game Day:**
 - Arrive at least 30 minutes before the game start time on the schedule for warmup.
 - If you're home, make sure to set up goals on the field, bring game ball and collect flags from the shed to set up the field.
 - Game day field locations can be found [here](#). U8 games play on the smaller field closer to the entrance at Apollo. U9-10 plays the smaller field with build-out lines. U11-12 plays the larger field without build-out lines.
When moving goals, rotate the wheel brackets down and roll the goals. Do NOT drag goals as that will damage both the goals and the grass.
 - Reminder about [zero tolerance policy](#). Please remind all your parents as well. Our youth referees are not to be abused!
 - Be mindful of the 5 goal differential sportsmanship rule. Reminder, the score is not being tracked. We are here to have fun!
 - AED device is now available at all field locations. Know [where they are located](#).
